## Why Overhaul Media

Overhaul Media is made up entirely of creative individuals, allowing our clients to deal directly with the people who create the magic. Everyone at Overhaul Media can appreciate and respect any budget or deadline, and is focused on producing clever, head-turning work every time. And because Overhaul Media never grows bigger than it needs to be, our clients know that budgets are invested in projects, not used to pay overheads. Our skills are extensive, with a level of diversity that means we can tackle any challenge, almost always in-house, from a single piece of artwork to a national ad campaign. Our list of clients and our portfolio speak for themselves. If you'd like to work with a creative studio that's as down-to-earth as it is cutting-edge, choose Overhaul Media.
